

QUESTIONNAIRE INDICATIONS

Aim: the questionnaire is an indispensable important instrument to obtain useful indications to set up the “work instrument”, that is, the final document that will be used to establish the Assembly work. A meditated exact indications compilation is therefore necessary.

Addressees: local vernian groups, italian and abroad, whether they be those with the 10 members (25 groups), or those with a minor number(10 groups).

We mean lay vernians who have renewed or made their promise for the first time, in order to reach the greater number of “vernian population”

The General Council five members and all Regional presidents will aid in the indications compilation in the context of their ingroups.

In brief, the questionnaire compilation is a group labour.

Times: the questionnaire will be translated into English, Spanish, French, and , if possible, into Swahili and sent via mail by the end of November 2018. the answers will have to arrive by the 15th of March, 2019, to a committee in charge of producing the “work instrument”, for the General Council’s approval/correction by the end of May.

The questionnaires will be directed to the Vernian Region President first.

Output: Each Regional president will write a brief report on the results and contents of the questionnaires and will send, by March 15th, via mail:

1. All local groups questionnaires
- 2.His/her report

to a commission soon to be chosen, or otherwise, to the signer and the Association’s General Secretary ,and to Congregation General Secretary Sr Maria Mori, to the following mail addresses:
